Cookie Cravings

Girl Scouts

It's the weekend you've been waiting for all year: February 24-25 is Girl Scout Cookie Weekend! The iconic flavors are all back: Thin Mints, Samoas, Trefoils, Tagalongs, Do-si-dos, and Lemon-Ups. Two other popular options this season are Adventurefuls, a brownie-inspired cookie with caramel-flavored crème, and a gluten-free option, Toffee-tastic, a buttery cookie packed with toffee bits.

This year, the price of Girl Scout Cookies has increased slightly to six dollars a box, which reflects rising costs. Every dollar goes toward supporting programs that help build our next generation of female leaders. The Girl Scout Cookie program continues to teach Girl Scouts five key life skills: goal-setting, decision-making, money management, people skills, and business ethics. Plus, scouts grow in courage, confidence, and character. There's something extra sweet about enjoying these cookies while knowing you're supporting such an impactful program.

Faces of Valentine

While February 14 is widely celebrated as Valentine's Day, there is some confusion as to which Saint Valentine this day refers to. According to the Roman Catholic Church, 14 different saints are named Valentine. Some believe Valentine honors the bishop of Terni, in central Italy, who was condemned by Roman Emperor Claudius. Others believe Valentine was a Roman priest who secretly married Christian couples until he was discovered by the Roman authorities and sentenced to death. Perhaps the real identity of Saint Valentine is unnecessary since what is truly important is his enduring legacy of love.
