Celebrating Social Work Month

For the last eight years at RPRH Kayla, LMSW brings strong expertise regarding counseling, discharge planning, Medicaid and hospice. She balances providing empathy with guiding residents and families through some of the most difficult decisions of their lives. She has a passion for advocating for the rights of vulnerable populations, including the elderly, and seeks to assist residents to attain their highest quality of life and maintain dignity. We are so fortunate to have Kayla as an integral part of our team!

Happy Social Work Month, Kayla!

Spring Has Sprung

With the arrival of spring comes a fresh sense of energy and togetherness throughout our community. As the days grow warmer and brighter, we look forward to more outdoor activities, family visits, and meaningful moments with those we serve. Spring reminds us that growth, renewal, and hope are always in season. We're excited to embrace all the opportunities this beautiful time of year brings. Get ready for one of our favorite traditions! Our Annual Easter Egg Hunt is coming up soon, bringing families, residents, and team members together for a joyful celebration. We hope to see each one of you there as we enjoy the fun and festivities! OPEN to ALL!!

DON - Introduction

It is my pleasure to introduce our new Director of Nursing, Yessi, who has joined our long-term care community. Yessi brings extensive experience in nursing leadership, a strong commitment to clinical excellence, & a passion for providing compassionate, resident-centered care. Throughout her career, Yessi has demonstrated exceptional skill in team development, regulatory compliance, and quality improvement—qualities that will strengthen both our care standards and our team culture.

Please join me in welcoming Yessi to our community. We look forward to the leadership, expertise, and dedication she will bring to our residents, families, and staff.

March Madness

The "Road to the Final Four" begins March 17th, sixty-eight of the nation's best men's college basketball teams compete in the three-week tournament known as NCAA Division I Men's Basketball Tournament — better known as March Madness or "The Big Dance." With nonstop matchups and buzzer-beater moments, fans often find themselves watching multiple games at once. The tournament is also a major stage for college programs looking to elevate their national reputation, and with the NBA Draft just months away, standout performances can boost a player's professional prospects. Perennial contenders like the Kansas Jayhawks, Duke Blue Devils, Kentucky Wildcats, Arizona Wildcats, and Gonzaga Bulldogs are often favorites — but the true magic of March Madness lies in the unexpected, when a "Cinderella" team defies the odds and captures hearts with an unforgettable run. Check out the newsletter for March Madness FUN & get a bracket out in the Town Center!

Success Story

Frank W.

★★★★★

"Can't say enough! I would highly recommend RPRH for any therapy need. When the staff say there sad to see you go, you can't put a value on that. Everyone has been so friendly, a thank you goes a long way & they do that here."

-Frank

Frank couldn't say enough kind words about our incredible therapy and nursing teams — Stories like his remind us that every role matters in the journey to recovery. We are so happy Frank is back home and wish him continued health and happiness!
